Boredom is a red flag when it comes to my own law-breaking. That’s why saying “the devil makes work for idol hands” resonates with me.

Back Cover: “A Path Well-Trodden”  
2018  
Russell Grant in collaboration with Kirk Lawrence

This image represents the choices in prison. Some choose to partake in meaningful activity like behavioural or vocational courses, others choose more illicit past times and some people self-harm. Having walked a lot of these paths I can’t judge anyone. Prison can be tough and every individual develops their own coping mechanisms to handle it.
