Joker

2022

Joker is a 37-year-old struggling to get through life, while trying to stay unique. She would like to see everyone treated equally as one, including behind bars where it takes guards and prisoners as one to work together and create equality.

“Obedience is Key” (back cover)

Peter Collins

2010

Peter Collins was a writer, artist, musician, cartoonist, activist, filmmaker, organizer, and prisoners’ rights advocate. Peter was a social critic who offered thoughtful insights about the structures of violence inherent in the world around us. His tireless commitment to social justice from inside prison made him a target of harassment by the Correctional Service of Canada (CSC), which ultimately prevented his release. Peter passed away on 13 August 2015 of bladder cancer after having served 32 years on a Life 25 prison sentence. He was 10 years passed his parole eligibility dates.
