## **In Memory of Paul O'Rourke** *Journal of Prisoners on Prisons*

---

This special issue of the *Journal of Prisoners on Prisons* (JPP) is dedicated to the memory of Paul O'Rourke (1981-2023). Paul had so much more to give, refused to buy into hollow promises of rehabilitation, and used his own pain and suffering to leave this world behind a little bit better. He was so proud of his contribution to the special edition of the *JPP* on "Homeless and Incarceration". Rest easy, dear friend.
